HOW DO SF JAILS IMPACT YOU & YOUR FAMILY?

If you are closely impacted by SF jails, the community needs to hear from you. City officials are tearing apart families and risking lives by continuing to operate the earthquake-unsafe and unsanitary County Jail 4 at 850 Bryant. We must shift city resources away from this violent, racist institution and into real solutions for the problems facing our communities. Contact the No New SF Jail Coalition to magnify your voice. Your experience can ignite change.

WHAT'S NEXT

The Coalition is putting pressure on the San Francisco Board of Supervisors to close 850 Bryant once and for all by November of this year. Join us in the fight to close the jail and build a just future for San Francisco!

WE ARE A COALITION OF ORGANIZATIONS, RESIDENTS AND COMMUNITY MEMBERS JOINING TOGETHER TO CLOSE THE JAIL AT 850 BRYANT & FIGHT ANY NEW JAIL CONSTRUCTION OR RENOVATION IN SAN FRANCISCO.

We demand that San Francisco create community based treatment centers with multiple co-located services, provide treatment on demand, and create enough affordable and supportive housing for all San Franciscans.
